My sister loved almost any sport but mostly gymnastics She was a good weight for her height, while I am very skinny for my height.. Musical instruments <https://iso-for-mac-mountain-lion-peatix.com/> We both love to wrestle for fun and I would always win, but she still puts up a pretty tough match.. She's a bit shorter than you at 5'5' tall, and she likes to be a bit bossy even though she's usually very lazy.
